Subject: RE: Lab Notes

Hi Larry,

For your information Kate Corbett is out [REDACTED] at this time. The primary chemist Stacey Desjardins no longer works here. Any further inquiries for this case should be directed to the lab supervisor Charles Salemi. We can pull a discovery packet together for you at this time, however Kate is not expected back to the lab until August.

Any questions please feel free to be in touch with myself or Charles Salemi.

Elisabeth O'Brien
Evidence Office Supervisor
Boston Drug Analysis Laboratory

Subject: Lab Notes

Greetings

Please forward lab notes for number [REDACTED] along with CV by email and thank you. Please also note, a summons for your appearance has been previously sent by email. Again thank you in advance.

Larry Bates
